

COMBINED PETITION, DECLARATION AND POWER OF ATTORNEY

David J. Poelker, 413 Springdale Drive, Belleville, Illinois 62221; Timothy J. Baker, 5 Arlington Court, Claremore, Oklahoma 74017, and Jeffrey W. Germer, 1722 Cloverdale, Edwardsville, Illinois 62025, declare:

That they are citizens of the United States of America;

That they verily believe that they are the original, first and joint inventors of the invention in AQUEOUS EXTERNAL CRYSTAL MODIFIER DISPERSION as recited in U.S. Patent Application Serial No. 08/705,461, filed August 29, 1996, (Docket No. 9602) described and claimed in the specification which is attached hereto;

That they have reviewed and understand the contents of the specification, including the claims, as amended by any amendment specifically referred to herein.

And they hereby appoint the following as their attorneys, with full power of substitution and revocation, to prosecute this application and to transact all business in the Patent and Trademark Office in connection therewith, with all correspondence to be conducted with that attorney at the address specified:

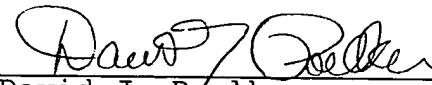

Name	Reg. No.	Address
Kenneth Solomon	31,427	Petrolite Corporation 369 Marshall Avenue St. Louis, Missouri 63119-1897
Stanley M. Tarter	18,454	Petrolite Corporation 369 Marshall Avenue St. Louis, Missouri 63119-1897

Send all correspondence to the attention of the Patent Department.

Wherefore they pray that Letters Patent be granted to them for the invention or discovery described and claimed in the foregoing specification and claims, and they hereby subscribe their names to the foregoing specification and claims, declaration, power of attorney and this petition.

They further declare that they acknowledge their duty to disclose information which is material to the examination of this application in accordance with 37 C.F.R. §1.56(a) and that all statements made herein of their own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of this application or any patent issuing thereon.
